## **Invitation**

We invite you to attend the *Spinal Cord Injury: An Update* miniconference for and about people with spinal cord injuries, spina bifida and other spinal cord disabilities.

The goal of the conference is to provide and promote a better understanding of the multifaceted world of living with spinal cord disabilities. Participants will have the opportunity to learn from the knowledge and expertise of skilled health care professionals and from the life experiences of people who are coping with spinal cord injuries every day.

## **Who Should Attend?**

- Individuals with spinal cord injuries
- Family, Friends and Care Providers
- Rehabilitation Professionals
- Case Managers
- Health Care Providers
- Educators
- Community Service Providers
- Anyone interested in people with spinal cord injuries

## **Financial Assistance**

The Spinal Cord Commission will offer scholarships to persons with spinal cord injuries and their family members whose financial status would not allow them to pay the registration fee. To request a scholarship, please indicate on the registration form. You will be notified by mail if your scholarship has been approved.

## **Certificates of Attendance**

Will be provided to health care professionals. Nursing CEUs will be provided.

## **Door Prizes !**
